

POINTERS ON THE RACES.

Fair Class of Horses Engaged in the Contests for To-Day.

War Bonnet, Sir Knight, Norway, Banquet, Don Alonso, Roller.

EVENING WORLD'S SELECTIONS

- First Race--War Bonnet, Indra, Lord Hawkstone.
Second Race--Sir Knight, Lazaretti, Signe.
Third Race--Norway, Lady Richmond, Tanager.
Fourth Race--Banquet, Ducat, Merte.
Fifth Race--Don Alonso, Tom Skidmore, Chant.
Sixth Race--Roller, Lifeboat, Silverado.

Three of the best races at Brighton to be seen should furnish rattling good contests. They are the second, fourth and fifth events, all at a distance over a mile. In the second Lazzarone, Sir Knight and Star Actress carry weights that should bring them close together.

War Bonnet, Sir Knight and Norway are the latter's best showing against the water should make him push Banquet hard. Don Alonso, Chant and Tom Skidmore will go well in the fifth race. The other races are not especially interesting. Merte, two and three years old, are carried to go in the opening dash and it is a lot of two-year-olds that will be the third race. The starting event brings together a fair lot of pointers including Roller, Young Arion, Silverado, Lifeboat and Belvoir.

The track will be dry and fast. The entries and selections are as follows:
First Race--Purse \$200, for three-year-olds, one mile.
Second Race--Purse \$200, for three-year-olds, one mile.
